ROOM COSTS

Clear and transparent

Transparency is one of the pillars of the ATLANTIC Hotels' SMART meetings & events concept. When you book a conference package, we charge a Set-up costs to cover power, seating and cleaning of the room. This fee depends on the size of the room, and not the accommodation and restaurant sales.

In addition to the fees for the Economy, Business and Business Plus conference packages, we charge a per-day preparation fee that depends on the size of the function room.

For the individual use of a room without a conference package, we charge a room rental fee that depends on the size of the room and duration of use.
