

EVENT PACKAGES

For your event we also offer you the option of selecting food and drink packages that are charged on as a flat rate per person rather than being billed based on the individual amounts consumed. The prices are based on the food and drinks selected.

At your request we would be happy to create an individual food and drink package for company anniversaries, birthdays or other celebrations.

We recommend our beverage package as an alternative to individual billing:

Silver beverage package

- Sparkling wine as an aperitif
- House red and white wine
- Beck's Pils, Franziskaner Hefe wheat yeast beer (also non-alcoholic)
- Soft drinks
- Sparkling and still water
- 1 coffee or tea after the meal
