WEINKONTOR & CAFÉ

by ATLANTIC Grand Hotel Bremen

Bremen is relaxed and down-to-earth. Nothing seems obtrusive or excited. The best addresses don't get in the way of passers-by, but want to be discovered.

Of course, this also applies to the Weinkontor & Café under the brick arcades. The picturesque restaurant bears the culinary signature of the ATLANTIC Grand Hotel. The quaint original interior has been retained and shines in new splendour with loving decoration and many new dishes and drinks. Here you can taste, get to know and, of course, buy the best wines in the world as well as coffee and tea specialities from Bremen almost in passing.

Marco Maniglia – sommelier and your host at the Weinkontor & Café – supports you with his many years of wine experience and Hanseatic non-chalance.

WKCAFÉ WESER-STRAND

by ATLANTIC Grand Hotel Bremen
in co-operation with Weser Kurier

Relocate your appointments and lunch break to a stylish urban ambience or simply enjoy the hustle and bustle of the city centre with a healthy snack and tasty drinks.

Between unplastered bricks, light wood interior and lots of plants, you can enjoy coffee specialities from Bremer Union Rösterei and turn the café into your personal workplace for in between. Here you can either sit in comfortable armchairs, together at long tables or use the „bunks“. Free Wi-Fi and power outlets are available to help you get the most out of your work.

Take time for the healthy snacks, salads and hearty sandwiches that are freshly prepared every day. We attach great importance to the regionality and sustainability of our products.
