

ACCOMPANYING PROGRAMMES

Whether with colleagues, friends or family: discover Bremen's most beautiful sights together with your guests. Or simply enjoy the culture and cafés on the Schlachte promenade and in Bremen's historic town with the "Schnoorviertel".

The ATLANTIC Grand Hotel Bremen will be happy to book you various accompanying programmes to make your event an extraordinary experience.

City tours

Sightseeing is also a real must in our beautiful Hanseatic city of Bremen – whether as a night watchman's tour along historic paths, tours of Bremen's Town Hall, which has been designated a UNESCO cultural heritage site (the only UNESCO cultural monument in the world to receive this honour), or quite comfortably with the Town Musicians Express directly through the city centre, the Schnoor quarter and the cultural mile.

Accompanying programmes

If you would prefer to be on the trail of pleasure, you will be initiated into the secrets of roasting on a tour of Uncle Johann's coffee workshop at the headquarters of Jacobs Kaffee.

Or perhaps a Beck's and Haake Beck Exclusive Tour is right for you? Here you will go through the beer museum, the raw materials room, past malt silos, the fermentation and storage tanks to the bottling plant.

Sport & Leisure

Even if you want to be more active in sports, we will find the right programme for your stay. For example, take a bicycle tour to the idyllic artists' village of Worpswede, play an 18-hole course on one of the many golf courses in the surrounding area or hit balls at bowling; the possibilities in Bremen are endless.
