

ACCOMPANYING PROGRAMMES

Water makes people happy and the murmur of the waves is relaxing – water is the city's defining element. Take advantage of this "water added value" to delight your guests and motivate your employees. We also offer exciting activities for landlubbers. Explore Kiel on water or on land – and have fun!

Sailing tour of the city / sailing camp 24/7

The trip doesn't just teach you about sail positions, tillers and sheets: you will also discover the most beautiful side of Kiel from the water and you'll learn about the history behind many of the buildings and the traditional companies.

This package is offered from May – September. Groups on request.
Duration: approx. 2 hours

RIB charter / speedboat event

Full throttle fun: you won't forget this ride on the waves in a hurry!

RIB stands for Rigid Inflatable Boat; these power boats are also used as safe and reliable work boats in the offshore industry.

RIB: 250 HP with 7 jockey consoles

Speed: up to 90 km/h

Capacity: 7 people per boat for a speed ride

This can be reserved from April – November for up to 100 people.

City tour of the maritime fjord city

Explore the city from land: buildings steeped in history as well as modern architecture. A highlight is Old City Hall – a Kiel landmark. The 67-metre-high platform provides an unforgettable panoramic view across the city.

Groups of 18 – 25 people, lasts about 2 hours.

Kiel city challenge

Have you ever put on an outfit on a public statue? Or tried a reef knot out of two raw noodles?

Whether as challenge between several teams or as adventure rally for a large group – the exciting tasks of the city tour through the city center of Kiel are much fun and demand creativity and team spirit.

Participants: from 8 persons

Duration: from 2 hours

Hop on Hop off City Sightseeing

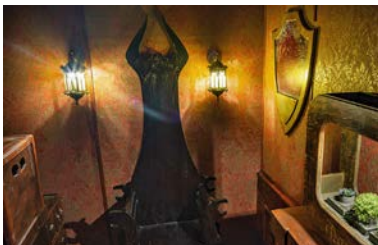

Discover Kiel in a new and comfortable way by going on a round tour with double decker busses and enjoy 90 minutes of touristic highlights of the fjord city with 360 degrees panorama view at 4 meters high.

Departures: daily, every hour 09:15 – 15:15 from Hauptbahnhof Kiel, opposite to the ATLANTIC Hotel. 15 minutes of break at Nord-Ostsee-Kanal (visit of the watergate overlook included)

Duration: 2 hours

Escape Game – the School of Magic

The world of witches and wizards awaits you! The search leads you, as students of the School of Magic, to the forbidden section of the library. The protective spell that keeps your presence hidden from the evil forces ends in exactly 60 minutes. Can you manage to find Baltasar's powerful magic stick during this time and thus save the magical world?

Participants: 2–6 players

Duration: 1 Stunde

EVOKART – Race Factory Kiel

Karting with innovative electric karts! The sustainable karts are climate-friendly and run on green electricity instead of petrol, so that neither exhaust fumes nor noise disturb the driving experience.

If you are looking for speed and action for your team event (regardless of the weather), the ultra-modern electric karting hall is just the place for you. The skilled track management provides professional instruction in karting and after the race, there is even an official award ceremony on the podium to round off the perfect racing experience.
