Currently, the days Sunday and Monday are our kitchen rest days.

The popular breakfast buffet naturally takes place seven days a week.

We wish you a pleasant stay with us. Talk to us if there is anything we can do for you that is not mentioned here or in our digital guest information (you can find this on the landing page when you log in to the internet with your device) and have a great time with us.

Thank you very much for allowing us to be your hosts!
