

## News from our bar and restaurant for the period from November 2nd, 2020

Dear guests and fans of Pier 16 and Deck 8,

the political decision-makers have sent the catering industry into the next lockdown and as a result we are unfortunately no longer able to operate our restaurant Pier 16 and our bar Deck 8.

We keep our breakfast ready for our hotel guests in the well known quality from 6.30 a.m. (Sunday from 7 a.m.) to 11 a.m., as well as a room service offer that you can choose from every day from 5 p.m. to 8 p.m.

Please submit your order to our reception team at check-in and arrange the service time there as well.

All events with a seating character like conferences, seminars and training courses are still possible and we're looking forward to your requests. Our hotel practices a well-established hygiene concept – With your choice and trust towards us, you and your guests are in good hands.

Please continue to confidently contact our events department:

[Veranstaltung.ahk@atlantic-hotels.de](mailto:Veranstaltung.ahk@atlantic-hotels.de)

Please keep your distance from other people, observe the sneeze label and respect the requirements which are intended to ensure that distances are maintained.

In all public areas of the house, on all traffic routes, it is mandatory to wear a mouth and nose mask.

Thank you for your understanding, please stay healthy and kind to us - especially in these difficult times.

Your teams from Pier 16 and Deck 8

Your Frank Blasberg  
General Manager  
ATLANTIC Hotel Kiel
