

# PIER 16

Dear guests and fans from the PIER 16 and DECK 8,

we are pleased to offer you a small variety of delicate dishes at our restaurant PIER 16 again and we hope that you'll find something that meets your taste.

A few of the dishes we can serve at the Bar DECK 8 as well and we ask for your understanding if it should take a few minutes more than usual.

Besides our aspiration of freshness, we have to bridge a distance of 8 floors.

The current situation is very challenging, especially for the gastronomy. With the restriction with respect to the minimum distance and the combined reduced capacities, an economical business is not as workable as before.

Nevertheless we dare the try and ask for your help when it comes to planning the evening. Please reserve for our restaurant PIER 16 because of the detailed planning it takes due to the restrictions.

We offer you two different times:

From 17.30 to 19.30 pm or from 19.30 to 21.30 pm.

We look forward to your call under the in-house extension 583.

Your host

Your Frank Blasberg

Hotel director
