ROOM COSTS

Clear and transparent ...

Transparency is one of the pillars of the ATLANTIC Hotels' "SMART meetings and events" concept. For this reason, room costs/rentals are not hidden in our conference packages.

If the catering consumption (food and beverages during the event) is less than the stated turnover guarantee per room, we will charge the resulting difference as room provision costs. Technical equipment, if required, may be hired externally and charged separately.

Our room hire charges are calculated according to the following key, unless a conference package has been booked.

	Room size in sqm	Room rental in EUR	Sales guarantee in EUR
