## NEW IDEAS FOR TOUR GROUPS

*Dear friends of coach tours  
and group travel,*

Did you know that four times a year we publish a coach and group travel newsletter in German packed full of special offers and useful information?

If you would like to subscribe, please send an e-mail with the subject "Registration for bus newsletter" to [touristik@atlantic-hotels.de](mailto:touristik@atlantic-hotels.de).

Travelling in a group brings people together and offers the opportunity to share experiences. That is why we have compiled a list of all the hotels in our group with comprehensive experience in the group travel segment for the 2026/27 season. For each of these selected hotels, you will find all the relevant information for coach and tour groups "At a glance", our attractive prices as of 20 paying guests and packages for tour groups in cooperation with interesting partners.

Let yourself be amazed by our offers. If you have any specific questions or would like to make a booking, we will be happy to help. The respective contact information can also be found below each hotel.

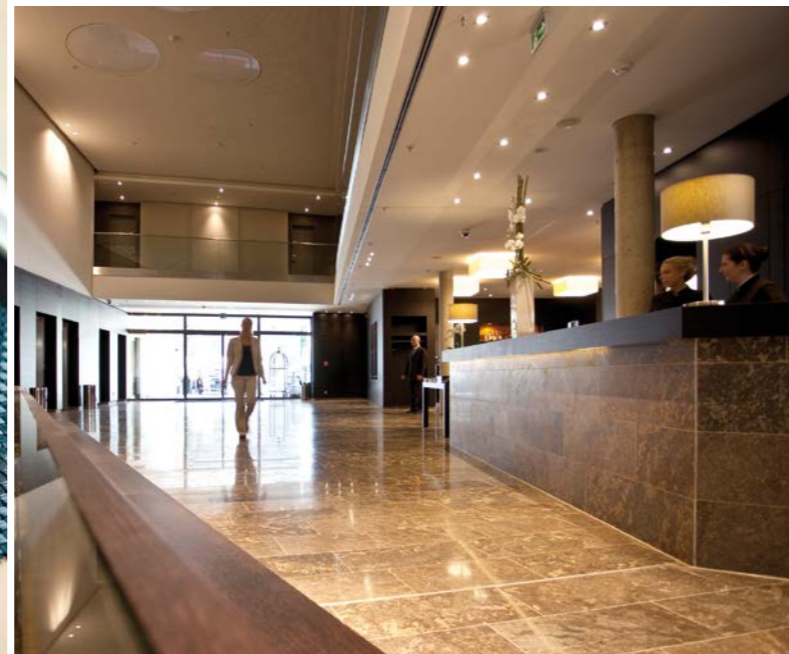

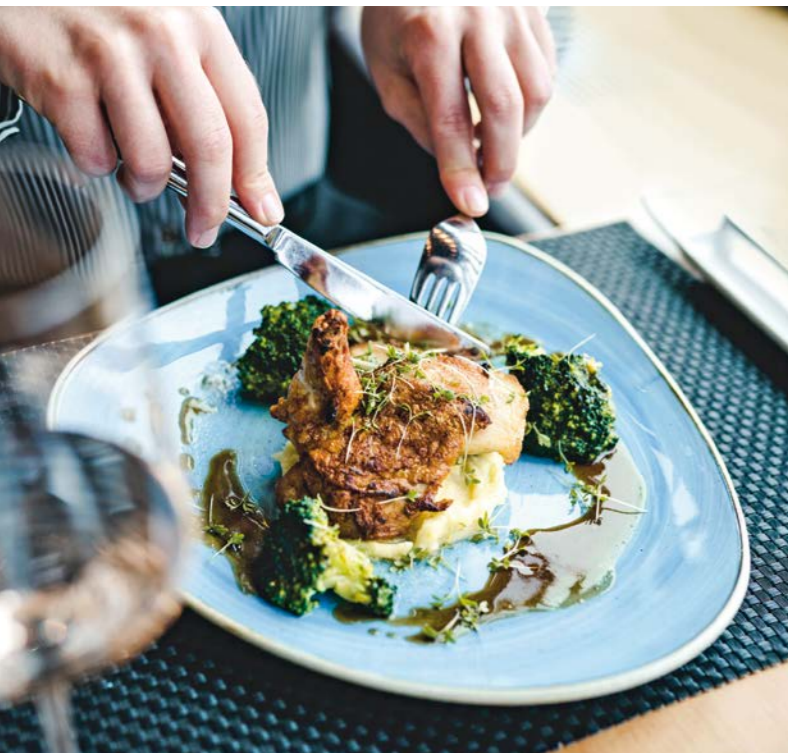

For more travel inspiration, please also check out our leisure brochure TOUREN at <https://www.atlantic-hotels.de/en/touren>

We will be happy to offer you advice and suggestions.

Kind regards,  
**Maïke Seedorff**

Director Leisure Sales  
ATLANTIC Hotels

## GOOD TO KNOW

The group rates specified apply only on request and subject to availability at the respective hotel. They are to be understood as non-commissionable net rates. The local city tax or visitor's tax is not included in the specified price. Special rates apply during high season, trade fairs and major events. The prices apply per person as of at least 20 paying guests and include breakfast. If realisable, for every 20 paying guests, we offer a free place for a tour guide in a single room including meals as per the group booking. A maximum of three free places are guaranteed.

★ This star indicates the top leisure tips for each hotel.

**Please note:**

External services must be booked directly via our partners – we will be happy to provide the contact information upon request.
